## 790 Mossy Oak Mudslinger Semen ...

**Lots 1 - 25 & 1 - 50**

I can't believe that we are actually doing this! We know 790 Mossy Oak Mudslinger was one of the all-time greatest bucking bulls and he is one of the most dominant breeding bulls we have ever bred to. We thought by closing down semen sales we would prove how great he was and that has worked. However, we believe by offering a large quantity of semen to the public would give our fellow breeders an opportunity to add one of the legends of our sport to their program. He has played a major role in the success of our program and we can hardly wait to see how he will work in different programs across the country.

## 1/2 Interest Classic Bulls ...

**Lots 26 - 29**

This group of bulls are the very best on the ranch. We hand picked the rankest three-year-olds we own and feel like this is a special opportunity for someone to get in on a Super Star caliber bull with two years of eligibility. These kinds of bulls don't come around very often. We are fortunate to have raised a set like this. These bulls will be entered at Stephenville, TX and at the American Heritage derby in Ardmore. Be sure to get in on these if you're interested in purchasing a great one.
